A NEW STRONG IDENTITY

The new Visual Identity

The iconic shape of the symbol, an integral part of the Gardabags logo, not only represents a bag but was also created to **evoke the Garda Lake and mountains surrounding Riva del Garda.**

GARD  BAGS
CONNECTION INTELLIGENCE

GARDABAGS

is where it all starts

A **young, vibrant fair**, it's the global crossroads for the bags and leather accessories industry.

Here, **twice a year and exactly at the beginning of the fashion season**, the world's leading brands and distributors identify the **best sourcing options** and **assemble their collections** - and the fastest manufacturers access new markets.

What makes GARDABAGS special

We're **fiercely independent.**

Exhibitors and visitors are our only masters: their success is our success.

We **know buyers and vendors**

one by one: their markets, price tiers, quantities, needs, goals, mindsets are all different.

We know how each **adds value** at each step of **the product chain.**

We know who should meet whom.

And we make it happen.

A special place with a special edge

We provide **intelligence, insights, and connections**, not simply floor space.

The ambiance is a great plus. Yes, the surroundings are stunning: we're on **Lake Garda!**

But more importantly, **a unique community feel** fosters strong business relationships.

GARDABAGS is where things get done

A practical, can-do attitude
is the Gardabags way

Plenty of cool social occasions help get to know new partners, or finalise a deal. Combining **impressive variety and a manageable scale**, Gardabags is where things get done - easily and effectively.

Come discover why **top players and innovators** think we are **the can't-miss hub** of the bags industry.

GARDABAGS
CONNECTION INTELLIGENCE

Discover What Awaits You at Gardabags

At Gardabags, visitors can find a wide selection of **bags, small leather goods, belts and travel articles**. Leading brands and international producers gather here, giving buyers the opportunity to explore new collections and forge exclusive partnerships in a dynamic, global setting.
